

Please send your watch to the following address:

Tufina & Son
Raiffeisenallee 12b
82041 Oberhaching
Germany

VERY IMPORTANT !!!

Please fill in the table below carefully!

<https://rma.theorema-watches.com>

Fill in the DEFECT DESCRIPTION box the reason you are sending the watch back and describe the problem clearly.

Your package will be processed faster if we know the actual problem!

This information is very important not only for us but even for you.

We sell hundreds of watches every month and it is not easy for us to solve the eventual problem without the information above.

If you don't do so, packages may be delayed ...up to 6 weeks.

We do this job for a long time now, and we know how it will work, and be sure that everything will be fine.

Thank you for your understanding and please don't worry.
